

PRIVACY NOTICE TO REPRESENTATIVES OF PROSPECTIVE AND NEW CUSTOMERS

As the representative of one of our customers or prospective customer we collect Personal Data about you. This notice explains how **AxFlow Ida** (“**we**” or “**AxFlow**”), respects your privacy and protects the Personal Data we process about you. All processing of Personal Data (as defined below) is made in accordance with the General Data Protection Regulation and other applicable law. This privacy notice describes how we collect, process and share your Personal Data.

What Personal Data will be processed?

AxFlow will collect and process information about you as the representative of one of our customers or a prospective customer: your name, date of birth, email address, title (Mr., Mrs., Ms.), position within the customer company, telephone number, fax number, name of the customer company or prospective customer company that you represent and history of invites to our events as well as a communication log. We will also collect information regarding receipt of newsletters and marketing material we may send you in your capacity as representative of a customer and track which links etc. you have clicked on. The information set out in this section is referred to as your “**Personal Data**”. The Personal Data is collected from you directly and by tracked links in newsletters and marketing material. We may also collect Personal Data about you from other AxFlow companies or third party suppliers of data regarding prospective customers.

What is the purpose of processing your Personal Data?

The processing of your Personal Data is necessary for the administration of the customer relationship and to some extent for customer care and direct marketing. We use tracked links in our newsletters and marketing material for the purposes of customising such marketing in accordance with your interests.

What are the legal basis for processing your Personal Data?

The processing of your Personal Data (i) for the administration of our customer relationship, (ii) for customer care and (iii) for marketing purposes are based on our legitimate interest.

The interest to administrate our customer relationship is considered legitimate based on (i) delivery being crucial for the fulfilment of the contract with the customer company, customer care being crucial for strong customer relationships and marketing being crucial for the business of AxFlow, (ii) that you are acting in your professional capacity and (ii) that personal data is kept to a minimum.

If you are a sole trader (Sw. *enskild näringsidkare*), the processing of your Personal Data for delivery of the products and/or services ordered by you are based on fulfilment of the agreement between us and you as a sole trader.

Who has access to your Personal Data?

We have implemented appropriate technical and organisational measures to protect your Personal Data against loss or unlawful access etc. The number of persons with access to your Personal Data is limited. Only individuals associated with AxFlow that need to process your Personal Data in accordance with the purposes above will have access to your Personal Data.

We share your Personal Data with AxFlow Holding AB as the provider of our central CRM system and central marketing systems. We will also share your Personal Data with other AxFlow entities for the purposes set out in this notice. We will share your Personal Data with suppliers and partners that carry out services on our behalf. Our suppliers are changed from time to time but include IT-supplier

and sub-suppliers that carry out certain service, maintenance and reparation as well as logistic partners. In connection with delivery of ordered products or services, we may need to transfer your Personal Data outside the EU/EEA to such country where you are located or to our sub-suppliers to the extent necessary in order to deliver the ordered product or service. If relevant, we will collect your consent to such transfer through the order confirmation procedure.

Other than set out above, we do not transfer your Personal Data to a recipient located outside the EU/EEA without informing you and ensuring adequate safeguards in accordance with EU data protection regulation.

For how long is your Personal Data stored?

Your Personal Data that is processed for the administration of our customer relationship and for customer care will be stored until our customer relationship ceases. By administration of our customer relationship we include continuous communication, support and services throughout the life cycle of the product ordered from us. Your Personal Data is erased earlier if you cease to represent the customer company. In such case we will store your Personal Data for up to two years following the date when you ceased to represent the customer company.

Your Personal Data that is processed for direct marketing will be processed for such purpose until you unsubscribe or object to such marketing by contacting us at dataprotection@axflow.pt . If you unsubscribe or object, we will store your name and contact details in order to ensure that we respect such opt-out or objection.

Please note that your Personal Data will be stored for a longer period than the mentioned above if it is required by applicable laws, such as for accounting purposes.
